## Young Mothers' Provision (YMP)

## Sharing Information about You and Your Baby

Information for Young Mothers and their Families

Staff responsible: YMP

## Sharing Information

The aim of this leaflet is to inform you about the responsibility Baldragon Academy Young Mothers' Provision and the staff within Jessie Porter Nursery have towards caring for and protecting you and your baby.

## Staff Responsibility

Sharing information about people receiving services is good working practice between professional people who are supporting children and young people in Dundee and elsewhere.

When you join the YMP, your own details and those of your baby may be shared with other professionals to best support you, your baby and your family (e.g. School Nurse, Health Visitor, Family Nurse, Midwife, Social Work).

## Why is information shared?

The purpose of sharing information is to ensure you and your baby receive the services and care you need when you need them.

It also means that you do not have to keep giving the same information to different people over and over again.

Information is confidential and only shared with other professionals in the best interests of you and your baby.

## Contacts

If you would like advice, to share information or ask anything about you or your baby, please don't hesitate to call.

Contact the YMP Co-ordinator, Mrs. Lowe (436176) or the Head Teacher, Jessie Porter Nursery, Fiona Ferrier (436513)

You may also seek advice from the Senior Nurse Child Protection (668842) directly. Further contacts and details are given overleaf.
