

Computer Game Cover Design

Task 1:

Find six computer game design covers that you really like. Copy and paste them into a Word document.

Task 2:

Think of an idea for a new computer game and decide if it is for a PlayStation, Xbox etc.

Write down the name and idea for the new game. It can be based on one that already exists.

Task 3:

Use the internet to find ten images that you might use in your design.

****Save your work carefully as you will need it after the Easter holidays*
