

SKILL BASED HOMEWORK ACTIVITY

During this session you have been building up your skills on your chosen instruments as well as learning how to read music notation.

In this homework activity you are asked to:

1. Create information for someone who wants to find out more about one of the instruments that you have been playing.
2. Produce a *poster, leaflet or booklet*.
3. Include information about:
 - The history of your instrument
 - How to play your instrument
 - What type of music you would hear on your instrument (eg Jazz, Classical etc)
 - Famous Performers
 - What you enjoy about playing this instrument

Remember to make your information interesting and neatly presented. You can use the computer or handwrite your work. Add pictures from the internet or draw your pictures. Please remember not to copy and paste information from the internet because this will not be your own work. Hand in your homework by the date given to you by your teacher. There will be **ONE** prize per class for the most informative and best presented work. **GOOD LUCK!**
