S4 into S5 Option Choice Notes

Plan your S5 choices by considering how you will progress your subjects from S4. **You must base your S5 choices on what you studied in S4.**

Consider also how your choices will help you move forward into S6 or a future career/education beyond school.

Core PE, RE and PSE are **compulsory** subjects in S5 for everyone.

Make 5 choices from the 6 columns A to F. **You must also make a reserve choice in each column. You must base your S5 choices on what you studied in S4. You CANNOT crash a subject in S5.**

Higher Level courses are allocated 6 periods per week. Select these from Columns A to E.

N4/N5 Level courses are allocated 5 periods per week. Select these from Columns A to F.

For every N4/N5 Level course you chose, you will have with an additional period allocated to skills for learning, life and work qualifications. These are nationally recognised and accredited qualifications and will be chose at a later date.

You can select any combination of Higher and N4/N5 level courses to make your 5 choices. Subjects in Column F are available only at N4/N5 level. **You must make 5 choices.**

You may choose **one** college course. Courses are studied at Dundee & Angus College at either Kingsway or Gardyne Campus on Monday and Wednesday afternoons. **Entry is by college interview.** You may only chose an HNC or 2 Year Foundation Apprenticeship course if you are committed to returning for S6.

Recommended levels are found on your S4 full report or speak with your teacher.

We will do our best to meet all of your first choices cannot make any guarantees. **You must therefore make reserve choices.**

All of your choices, including reserves, must be based on those you studied in S4. You CANNOT crash a subject in S5.

Information about all courses can be found in the Senior Phase Option Course Information and the School/College Partnership Booklets. These are on the school website <http://baldragon.ea.dundeeecity.sch.uk/our-school/curriculum>
