S5 into S6 Option Choice Notes

Plan your S6 choices by considering how you will progress your subjects from S4/5. Consider also how your choices will help you move forward into S6 or a future career/education beyond school. Higher/Advanced Higher Level courses are allocated 6 periods per week. Select these from Columns A to E. N4/N5 Level courses are allocated 5 periods per week. Select these from Columns A to F. For every N4/N5 Level course you chose, you will have with an additional period allocated to skills for learning, life and work qualifications. These are nationally recognised and accredited qualifications and will be chosen at a later date. You can select any combination of Advanced Higher, Higher and N4/N5 level courses. Subjects in Column F are available only at N4/N5 level. **The following rules apply to your selection:**

- If you choose 3 Highers or less, you must study 5 subjects
- If you choose 4 Highers you may leave one column blank for supervised study
- If you choose 1 or 2 Advanced Higher and any other levels, you may leave one column blank for supervised study
- If you choose 3 Advanced Highers you may leave two columns blank for supervised study

Everyone must study electives in Column G. These will be from a suite of choices based around PE/RE/PSE and will be chosen at a later date. You may choose one college course. If you started a 2 year college course in S5 you must continue it into S6. Courses are studied at Dundee & Angus College at either Kingsway or Gardyne Campus on Monday and Wednesday afternoons. **Entry is by college interview.** Recommended levels are found on your S5 full report or speak with your teachers. We will do our best to meet all of your first choices cannot make any guarantees. **You must therefore make reserve choices.** Information about all courses can be found in the Senior Phase Option Course Information and the School/College Partnership Booklets. These are on the school website <http://baldragon.ea.dundeecity.sch.uk/our-school/curriculum>
