Baldragon Academy

Summer Concert and Awards Ceremony

2022/2023

A very warm welcome to you all.

At Baldragon Academy, we celebrate and embrace diversity. We recognise our learners as individuals, each with a story and unique set of circumstances.

We aim to grow and develop the unique skills, talents and attributes of our learners through experiences and opportunities which add value to the totality of their learning. We recognise each learner's progress and achievements throughout their own learning journey; including the curriculum and the wider life of the school and their experiences outwith our school.

Thank you for joining us and celebrating our learners' very special evening.
