<b>S5 into S6 Option Choice Notes</b>					
Plan your S6 choices by considering how you will progress your subjects from S5 and/or S4.					
Consider also how your choices will help you move forward into a career/education beyond school.					
Select <b>Advanced Higher</b> courses from columns C to E. These courses are allocated 6 periods a week.					
You should note that some <b>Advanced Higher</b> courses may be studied at another location. This may be on a City Campus arrangement at Dundee University or by consortium agreement with another school (to be confirmed) in the city.					
CC: City Campus SC: School Consortium VC: Virtual Campus					
Select <b>Higher</b> courses from columns A to E. These courses are allocated 6 periods a week.					
Select <b>N4/N5</b> courses from columns A to E. These courses are allocated 5 periods a week.					
For every <b>N4/5</b> course you choose, you will have an additional period allocated to nationally accredited skills for learning, life and work qualifications.					
You can select any combination of <b>Advanced Higher</b> , <b>Higher</b> and <b>N4/N5</b> level courses. <b>The following rules apply to your selection:</b>					
<ul style="list-style-type: none"> <li>• If you choose 3 <b>Highers</b> or less, you must study 5 subjects</li> <li>• If you choose 4 <b>Highers</b> you may leave one column blank for supervised study</li> <li>• If you choose 1 or 2 <b>Advanced Higher</b> and any other levels, you may leave one column blank for supervised study</li> <li>• If you choose 3 <b>Advanced Highers</b> you may leave two columns blank for supervised study</li> </ul>					
College courses are studied at Dundee & Angus College at either Kingsway or Gardyne Campus. This may be Monday and Wednesday afternoons (Column C) or/and a Tuesday and Thursday afternoon (Column D)					
If you started a 2 year college course in S5 you must continue it into S6.					
PE/RE/PSE are mandatory subjects in S6. Pupils will be able to personalise their experience through a range of wider achievement options which will be chosen at a later date. Information about all courses can be found in the Senior Phase Option Course Information and the School/College Partnership Booklets.					
You can find these handbooks on the school website <a href="http://baldragon.ea.dundeecity.sch.uk/our-school/curriculum">http://baldragon.ea.dundeecity.sch.uk/our-school/curriculum</a>
