

07 February 2022

Dear Parent/Guardian

S4-S6 Targeted Parents' Night with Course Choice Information Session – Wednesday 9th February 2022

You will be aware, from our previous communications, that your child's S4-S6 Targeted parents' evening is planned for Wednesday 9 February 2022, starting at 6pm. We have shared information with you regarding how to use the virtual parents' evening system – School Cloud. Please contact our school office if you did not receive this information.

Similar to previous years, and based on our ongoing parental consultations and feedback, we are offering a virtual parents' information session to help inform and share information about your child's course choice process as they move from S4 into S5 and S5 into S6.

This course choice information session will take place before the parents' evening on Wednesday 9 February.

Our virtual session, using the Microsoft Teams platform, will open at 5pm. The information session will start at 5.15pm. This will allow families time to log in and resolve any technical issues.

The virtual course choice information session will focus on your child's S4 into S5 and S5 into S6 course choice options and how to successfully complete the process. We will also share important information to help you in supporting your child to make an informed course choice. We will cover key areas such as Senior Phase pathways and the Scottish Credit and Qualifications Framework. We will also discuss and share helpful links and resources from Skills Development Scotland, Dundee City Council and the National Parent Forum of Scotland.

I do hope you will join us for this very important, and informative, parental information session.

Yours sincerely

Mrs H Ross

Depute Head Teacher
