

Advice for Child to Self-Isolate for 10 Days

Dear Parent/Carer,

A single case of confirmed COVID-19 (coronavirus) has been reported in a person who attends Baldragon Academy in Dundee. This person is in S4.

Your child has been identified by NHS Tayside's Health Protection Team as a close contact and should now self isolate as a precaution. In line with the national guidance your child should now stay at home and self-isolate until Friday 5th February 2021 (10 days after last contact with the case).

Your child must now remain at home, and not go outside or meet anyone from other households, until Saturday 6th February 2021. We are asking you to do this to reduce the further spread of COVID 19 to others in the community.

Please see the link to the Scottish Government guidance on self isolation:

<https://www.gov.scot/publications/coronavirus-covid-19-test-and-protect/pages/who-needs-to-self-isolate/>

If your child is well at the end of the 14 days period of self-isolation, then they can return to usual activities.

Other members of your household, including siblings, can continue normal activities provided your child does not develop symptoms within the 10 day self-isolation period.

For most people, coronavirus (COVID-19) will be a mild illness. If your child has or develops any symptoms, the whole household should self isolate and please arrange for a test for the symptomatic person/people by calling 0800 028 2816 or visiting www.NHSinform.scot/test-and-protect

I recognise this information may be very concerning to you. Please be assured that this isolation is precautionary. Baldragon Academy remains open. The school is working in partnership with NHS Tayside, Public Health Scotland, and Dundee City Council Children and Families Service.

If you would like to speak to someone or if you have any questions, please contact NHS Tayside's Health Protection Team by calling 01382 596976/987.
