

7 December 2022

Dear Parent/Carer,

**HM Inspectors from Education Scotland – wb 9 January 2023 at Baldragon Academy**

I am excited to inform you that HM Inspectors from Education Scotland will be visiting us to conduct an inspection during the week commencing 9 January 2023. You can find out more about inspection, from the [Inspection and review documentation](#) pages of Education Scotland's website.

This is a great opportunity for our learning community to showcase our work and to have our school improvement priorities and evaluations validated against national standards. The opportunity to highlight the relentless commitment of our school staff, our very honest and clear improvement journey and of course, most importantly, the amazing learning and progression of our young people is something I hope we will all embrace.

Annually, I ask our parents and carers to complete the HMI styled survey. This feedback helps us to identify our strengths and areas for improvement. As part of this inspection, HMI request this directly from you via an online survey which is available from <https://forms.education.gov.scot/s/05&seed=5331137&t=1>.

I would like to encourage you to complete the survey. You should complete the survey by 15 December 2022 for one child or for each of your children in attendance.

Inspectors will also be meeting with groups of parents during the inspection so to be part of that discussion you should complete the survey with additional links provided to indicate your interest in taking part.

Thank you,

**H McAninch**  
Headteacher
