

9 September 2024

Dear Parent/ Carer,

**HM Inspection of Baldragon Academy
Dundee City Council**

Following our June 2024 further school inspection by Education Scotland, I am now able to inform you that an update letter will be officially published by Education Scotland on Tuesday 10 September 2024. When published, you will be able to view the report here: <https://education.gov.scot/inspection-and-review/find-an-inspection-report>.

I am delighted that HM Inspectors are recognising the clear progress, and continuous improvements, our school has been making since the original inspection. We will continue to work with colleagues from Dundee City Council Children and Families Service, and Education Scotland, to deliver our next steps and ongoing improvements.

It is only by working together, that we will make the biggest difference to our learning community, and I'd like to thank our pupils, and parents and carers, for their ongoing commitment to their part in this journey.

Our school improvement priorities for 2024/2025 are:

Presence

Priority 1:

To continue to improve pupil attendance at school.

Priority 2:

To continue to improve attitudes to learning and behaviour.

Why?

To ensure all pupils are included, engaged & involved in their learning & school.

Participation

Priority 3:

To continue to improve the culture for learning, teaching and assessment.

Why?

To ensure all pupils experience activities which are high-quality, relevant, motivating and set at the right level of difficulty.

Progress

Priority 4:

To continue to improve attainment and achievement.

Why?

To maximise opportunities for all learners.

I will continue to keep you informed as we move forward with our school improvements and please remember to follow our journey in our termly newsletters and school improvement reports – all available in the 'school information' section of our school website.

Thank you for all you do in support of your school.

Yours faithfully,

H McAninch
Headteacher
