If you are unsure as to which house your child is allocated, please just refer to their most recent school report as you will find the house and class named at the top of the report.

For general concerns, complaints and/or compliments, your first point of contact should be with your child's guidance teacher, or Miss Gasparini for the Sanctuary and L2 classes. If you would like to contact any of our pupil support team you can do this through the school office on 01382 436170 or email baldragonacademy@dundeeschools.scot. So that we can ensure your email gets directed to the right member of the pupil support team please indicate in the subject field who the email is intended for and what house, for example FAO Miss M Scott – Balgay House.

Yours faithfully,

H McAninch
