Dear Parent/Carer,

It is important that our young people have a voice in how well our school is doing and what improvements need to be made. At Baldragon Academy we want our young people to be at the heart of improving our school by having their say.

At recent assemblies we asked all pupils to contribute to three of our big priorities in school. These priorities are - learning and teaching, relationships for learning and safety in school.

The forms below allow our young people to give their opinions on these issues and get involved in groups to shape future decisions. Could you please encourage them to share their voice if they haven't already by clicking on the links below.

As always, many thanks for your support,

Yours sincerely,

Mr Beattie.
