Begin with the end in mind ...

- Plan your senior phase by considering how you will progress your subjects from S3.
 You must base your S4 choices on the subjects you studied in S3.
- English, Mathematics, Core PE, SE and RME are mandatory subjects in S4 for everyone. You must do these.
- Make a choice in each column C to F. You must also make a reserve choice in each column.
- All of your choices, including reserves, must be based on those you studied in S3.
- We will do our best to meet all of your first choices, however we cannot make any guarantees. You must make reserve choices.
- All courses are subject to staffing and pupil uptake/demand.

- College courses are studied at Dundee & Angus College at either Kingsway or Gardyne
 Campus on a Monday and Wednesday afternoon (Column C) and/or a Tuesday and
 Thursday afternoon (Column D).
- Consider how you will make progress from S4 choices into S5/6. Think about how any
 college options will impact on your pathway in school, college or a career.

Choosing a college option may limit your progression in school.

• Information about all courses can be found in the Senior Phase Option Course Information and the School/College Programmes Booklets.

Career conversations

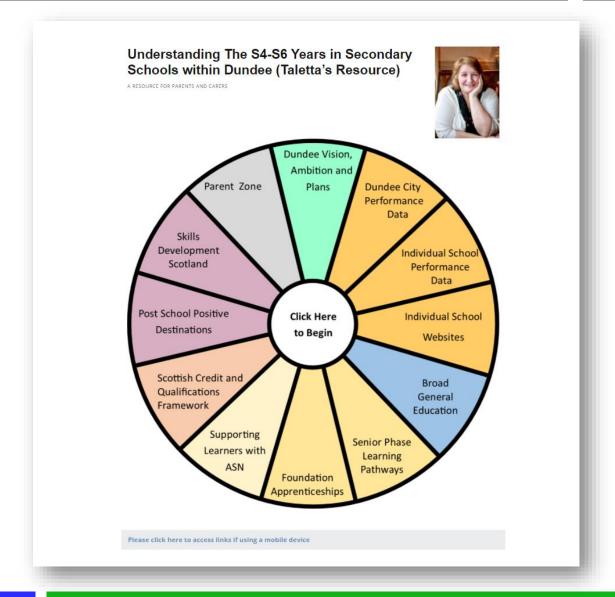

Talking to your child about careers is important. Not only when they're making big decisions, such as subject choices and what to do when they leave school, but also throughout their school lives and beyond.

My World of Work can help

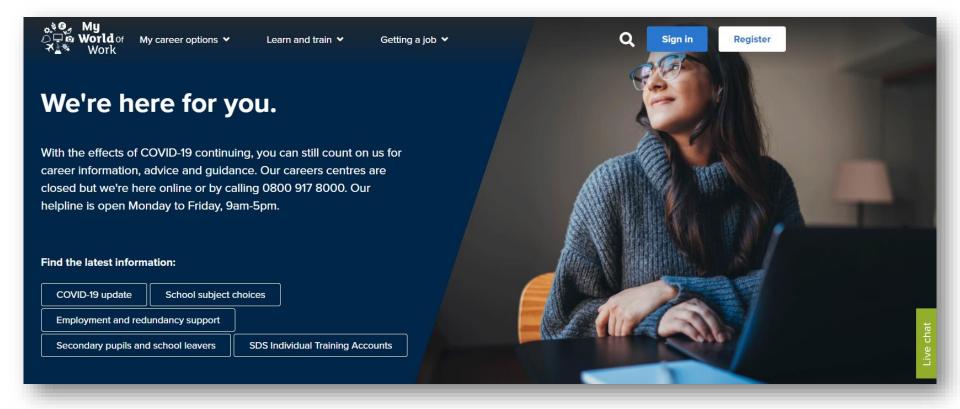

Go to our <u>parents and carers section</u> to find out more about using **My World of Work** with your child.

Register for an account (click on link to register) will help your child make the most of My World of Work.
