Dear Parent/Guardian

**Targeted Virtual Parents' Evening with Course Choice Information Session - Wednesday 9 February 2022 6.00-8.30pm**

We would like to take this opportunity to remind you that we have a planned Senior Phase Parents' Evening on Wednesday 9<sup>th</sup> February from 6.00pm to 8.30pm.

**Course Choice Information Session - Wednesday 9 February 2022 5.00pm – Starting at 5.15pm**

The virtual course choice information session will focus on your child's S4 into S5 and S5 into S6 course choice options and how to successfully complete the process. We will also share important information to help you in supporting your child to make an informed course choice. We will cover key areas such as Senior Phase pathways and the Scottish Credit and Qualifications Framework. We will also discuss and share helpful links and resources from Skills Development Scotland, Dundee City Council and the National Parent Forum of Scotland.

**Targeted Parents' Evening Appointments**

For this additional parents' evening, we are adopting a targeted approach. Appointments have been made for you where your child's teacher has identified an area of concern, potentially placing your child at risk of not achieving their potential. Based on this data your child may only have one appointment or may have an appointment for all their subjects. These appointments will be populated this week by our admin team, and they will contact families we do not have an e-mail contact for.

**Families Targeting Individual Subject Areas**

The appointment system will then be opened up to any families who wish to target specific subject areas where teachers have not identified them as being at risk, but you wish to discuss the learning with the class teacher. This system will open at 12.00pm on Friday 4<sup>th</sup> February 2022 and will close at 12.00am on Monday 7<sup>th</sup> February 2022.

Should you wish to cancel or re-arrange pre-booked appointments please contact the school office.
