Targeted Parents' Evening Appointments

For this additional parents' evening, we are adopting a targeted approach. Appointments will be made for you where your child's teacher has identified an area of concern, potentially placing them at risk of not achieving their potential. Based on this data your child may only have one appointment or may have an appointment for all their subjects. These appointments will be populated this week by our admin team, and they will contact families we do not have an e-mail contact for.

Families Targeting Individual Subject Areas

The appointment system will then be opened to any families who wish to target specific subject areas where teachers have not identified them as being at risk, but you wish to discuss the learning with the class teacher. This system will open at 12.00pm on Friday 21 February 2025 and will close at 12.00am on Monday 24 February 2025.

Should you wish to cancel or re-arrange pre-booked appointments please contact the school office.
