

Improving Attainment

In S4, S5 and by S6, attainment is continuing to improve in almost all key performance indicators

✓ By S3, almost all young people achieved the national standard in Literacy, and most in Numeracy

✓ In S5, National 5 and Higher results continue to be their best in nearly 10 years

✓ Across the senior phase (S4 to S6), poverty related attainment gaps are reducing

Overall, school attendance is improving

✓ In S4, the number of young people achieving five or more National 5 qualifications has increased by 150%

✓ By S6, the number of young people achieving five or more Highers is increasing
