

Xbox Cover Design

Task One:

Please look online and using Google find ten Xbox cover designs. Copy and paste them into a Word document. Please look for different styles and types of covers.

Task Two:

Choose one of the designs from Task One that you think is a really good design and answer the following questions in the Word document. PLEASE USE PROPER SENTENCES.

1. Which design have you chosen?
2. When was it designed?
3. Who is this game aimed towards? Male/ female? What age range?
4. What has the designer included in the design to attract these peoples' attention?
5. What catches your eye the most in this design? Why?
6. Do you think that it was designed carefully?
7. Please describe the colours in this design as carefully as possible.
8. Do the images in the design look flat (2D) or 3D? Why?
9. Do you like this design?
10. What do you think makes it successful? Please explain your answer.

Task 3:

Choose one of the designs from Task One that you think is less interesting and successful and answer the following questions in the Word document. PLEASE USE PROPER SENTENCES.

1. Which design have you chosen?
2. When was it designed?
3. Who is this game aimed towards? Male/ female? What age range?
4. What has the designer included in the design to attract these peoples' attention?
5. What catches your eye the most in this design? Why?
6. Do you think that it was designed carefully?
7. Please describe the colours in this design as carefully as possible.
8. Do the images in the design look flat (2D) or 3D? Why?
9. Do you like this design?
10. What do you think makes it successful? Please explain your answer.

Please save your work and do not print anything
