

**27 February 2024**

Dear Parent/ Carer,

**HM Inspection of Baldragon Academy  
Dundee City Council**

Following our December 2023 further school inspection by Education Scotland, I am now able to inform you that an update letter will be officially published by Education Scotland on Tuesday 5 March 2024. When published, you will be able to view the report here: <https://education.gov.scot/>.

I am pleased to see the emerging key strengths of our school, and indeed our school improvement direction, being positively recognised through this rigorous school inspection process. We will continue to work with colleagues from DCC Children and Families Service and Education Scotland to deliver our next steps and ongoing improvements and as we move forward.

I want to thank our pupils, parents and staff for supporting the various aspects of this inspection process.

I will continue to keep you informed as we move forward with our school improvements.

Thank you for all you do in support of our school.

Yours faithfully,
