

Educational Institute of Scotland (EIS) Industrial Action – 22 June 2022

Further to the communication of 6 June 2022, I am writing to provide you with an update on the planned industrial action in Secondary schools by EIS union on Wednesday 22 June 2022.

As a result of the strike action our secondary schools will not be able to open as normal to all young people.

We will look to prioritise provision for vulnerable young people through direct contact from the school and for the children.

Your child has been allocated a space to attend school on this day.

Should you wish to take up this place please respond YES (if you require a space) and NO (if you do not require a space) asap but by close of play today to allow us to plan appropriately.

Kind regards
Baldragon Academy
